Luxuriously appointed bathrooms and bedrooms.

Set off Lone Pine Drive, Ferndown's most sought-after residential location, surrounded by prestigious homes.

Lone Pine Park offers a unique opportunity to acquire luxurious detached homes at affordable prices.

It gives easy access to Ferndown on one side and Parley Common on the other a Site of special scientific interest, with 415 acres of heath, ideal for leisurely walks.

The park is stunning, spectacular and gorgeous. You'll love the heath and forest's contrast against the homes' modernity, peeking through the trees. It's not at all like your average residential park.

The homes are set in an enchanting 14.5-acre Sylvanian development. They are in a safe and secure environment, with privacy being our main priority for all new and existing owners wanting to experience a better quality of life and an antidote to the stress of business and daily life. The park adjoins Ferndown Championship Golf Course.
